| Sgt Mike Ryland<br>Roseville PD<br>Neighborhood Crime<br>Prevention | <ul> <li>Topic 1 - Car break-ins are a common crime.</li> <li>Never leave anything visible in car.</li> <li>Park where it is well lit.</li> <li>Do not park near long fence lines or other places where there is no good visibility.</li> <li>Look out for each other. Let people know if their trunk or garage is open and no one is around.</li> <li>On a side note, I would expect a rise in gas theft. criminals will syphon gas out of gas tanks. It may be worth investing in a locking gas cap or park in the garage if you can.</li> <li>Topic 2 – near 303 Hempfill Way a neighbor has allowed a family friend to live in a camper. He has hooked up to City sewage. He does car repairs and there are all sorts of broken-down cars on the street, some with expired tags. People drive to in that area where many homes have children. The neighbors have tried many things to fix the situation – but nothing has worked.</li> </ul> | Sgt Ryland will reach out to Alan<br>Rogers and parking enforcement. He<br>will also get back to us during the<br>month on progress to clear that area<br>of non-working cars.<br>He can be reached at:<br>mryland@roseville.ca.us |  |  |

| Kase/Kings Website<br>work by Ben               | Ben has started the skeleton of what will become the<br>Kaseberg-Kingswood Neighborhood Association<br>website! What should we post there?? Send ideas!<br>Also will come with "mailchimp" capability. Depending<br>on what we want the cost is \$60-100.   | <b>Sonya</b> speak to RJ – treasurer to determine how to pay                              |
|---|---|---|
| Sponsor Movie in the<br>Park this<br>summer???? | Los Cerritos NA wants to go in with us to sponsor this at<br>Kaseberg Park. It would be good promotion for both<br>NAs, but the cost is close to \$900!! We do not have<br>that, but maybe they do and we could contribute less<br>funds but work the event. Maybe we could get a<br>business to fund it.   | <b>Sonya</b> will chat with Los Cerritos to see how much they can contribute financially. |
| Fireworks<br>Fundraiser ???                     | RCONA (the combined Association of neighborhoods) is<br>in the raffle to try to get a 3year license to sell<br>fireworks. It is by far the biggest money-maker for the<br>associations.   |   |
| <b>Treasurer report</b><br><i>RJ Willing</i>    | We have \$641 in our association bank account   |   |
| To do by anyone                                 | Sonya emailed RCONA president about contact info for<br>speaker on security cameras for neighborhoods.<br>Kingswood near Junction is unique because you can<br>enter and exit from only 2 points. | What is a<br>neighborhood<br>association??                             | HUGE advantage: The city listens to its N.As! It is how<br>our needs are relayed to the appropriate city office/<br>official.<br>It is <b>not</b> a Homeowners Association.<br>It is <b>not</b> political/religious although we <i>should</i> attend a<br>city council meetings and/or school board meetings<br>and represent our neighborhood!<br><u>Focus will be</u><br>GROWTH of the association<br>Service to others<br>Fun and adventures<br>Have an emergency plan<br>Fund-Raising |  |
